

Selling Tickets In-Person

Administrator logs in

Administrator invites trusted volunteer to become a Seller

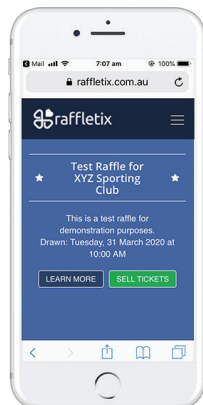

Seller clicks link in the email to confirm their account and to log in to the "In-Person Sales" page

Seller receives email invitation

Seller can now do in-person transactions! Seller can sell tickets at an event or in the community. Ticket buyer can pay by cash or card.

IMPORTANT:

- Seller must be logged in to sell tickets
- Seller can sell tickets via the browser on their phone or tablet. Note: No app to download.
- Ticket buyer can pay by cash or card. For cash sales, Seller collects cash. For card sales, Seller enters the buyer's card details.
- Ticket buyer receives SMS and email confirmation
- All sales are tracked against the Seller
- Administrator collects cash from the Seller
